

## Republic of Korea military zones

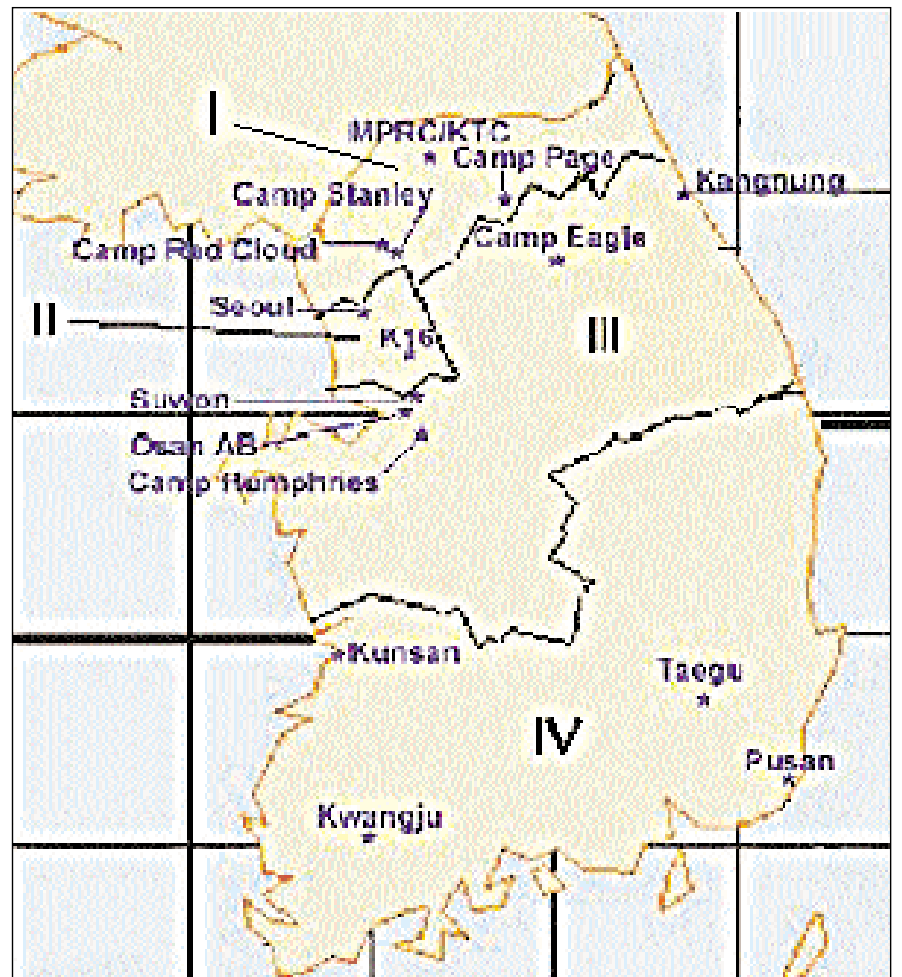

Adverse weather conditions on the Korean peninsula frequently require restrictions for traveling on military installation roads. Weather conditions are often identified for specific sectors based upon where a military installation is located on the peninsula. Conditions and travel restrictions are broadcast on the American Forces Network-Korea radio and American Forces Korea Network television.

The Republic of Korea is divided into four distinct areas depending on where a military installation is located. Each military member should be aware of the sector each U.S. base in Korea is located.

Kunsan and Osan Air Bases have their own respective sectors designated.

Below is a brief breakdown of each area:

- Area 1 - Demilitarized Zone area, from west to east coast
- Area 2 - Seoul and Yongsan general area
- Area 3 - Central Republic of Korea, west to east coast, including Osan Air Base and Camp Humphries
- Area 4 - Southern third of ROK, including Kunsan AB, Kwang-ju and Pusan
- Area 5 - Exclusively for Osan AB
- Area 6 - Exclusively for Kunsan AB

to technical sergeants with less than 15 years time in service. For more information call Staff Sgt. George Cox at 782-5132.

### Force protection, antiterrorism

Did you know that 90 percent of terrorist incidents are reconnaissance and only 10 percent execution. If you can detect or deter a terrorist in the reconnaissance phase, you may be able to prevent a terrorist act or divert it to a softer target. We use Random Antiterrorism Measures (RAMS) to detect terrorist surveillance and terrorist acts. Every unit must be involved in the RAM program to be successful in preventing terrorist activity.

For more information call the 8th Security Forces Squadron Force Protection/Antiterrorism Section at 782-5252.

### USO Spirit of Hope Award

This award recognizes deserving Air Force junior enlisted members who embody duty, honor, courage, loyalty, commitment and integrity. The wing staff and each group may submit one nomination. Nominations are due to the military personnel flight career enhancements office by Feb. 23.

For more information call Master Sgt. Angilla Chuck at 782-7214.
